

Junior Meat Goat Show Circuit Sanctioning Rules

Sanctioned Show Requirements:

1. Each show will be required to pay a \$100.00 show sanctioning fee.
2. Each showmanship show will be required to pay a \$75.00 show sanctioning fee.
3. All sanctioned shows will be 65% payback of entry fee. This amount can be full 65% in cash or a split of 40% cash and 25% in prizes. Payout method must be specified on Sanctioning Application.
4. No sanctioned shows will be points only.
5. All applications and fees will be received on a first come, first served basis. Show dates will be reserved when Lori Voigt-Titsworth, JMGSC Executive Secretary, receives the application and certification fees. Flyers and advertisements cannot be published until notification of being sanctioned by the JMGSC. Having a booking in a previous show season does not reserve a date for the next season. No verbal commitments will be given for the reservation of show dates. The JMGSC reserves the right to refuse sanctioning of a show. If this should occur, the applying organization will be notified and their fees will be returned within 30 days.
6. Shows conducted on the same day must have a minimum distance of 100 miles (radius). Shows that are in conjunction with one another must provide completed sanctioning forms and payment within the same week to be considered as dual shows.
7. The sanctioned show will allow the JMGSC to display banner(s), including but not limited to, the JMGSC banner, donor banners, etc., accept membership applications, and sell JMGSC related merchandise without commission or fees at the event.
8. JMGSC certified shows must be open to all junior exhibitors in the state of Texas. No out of state show will be sanctioned. No regional or county shows will be sanctioned. No adult shows will be sanctioned.
9. If a sanctioned show publishes a weigh back and an exhibitor weighs out (over or under weight), the entry goat is out of the show. The JMGSC will not establish general rules for each show. Each show must establish their own set of general rules. The general superintendent of the sanctioned show is responsible for making sure the rules are adhered to and is also responsible for conducting the show as such. **HIS/HER JUDGMENT IS FINAL!**

Exception: JMGSC Sanctioned Showmanship Rules must be met on all showmanship shows.

JMGSC Rules:

1. The goat that is used for the Showmanship show must be entered in the sanctioned show and must be owned by the exhibitor's immediate family.
2. No painting, powdering, artificial coloring or adhesives is allowed.
3. Goats must be uniformly shorn 3/8" or less above the knee and hocks.
4. Goats shall be free of any health or skin illnesses.
5. Goats will be required to have horns tipped. No sharp points allowed. No tipping of horns on the show grounds. Animals that endanger exhibitor/s shall be removed from the show.
6. Expenses: 35% gross to cover show cost. Donors are highly encouraged to cover show costs. This is especially important if bad weather occurs prior to or during the event and your show has a low attendance. Basically, a national disaster has to occur to reschedule an event. Regarding payout, please see item 3 in the Sanctioned Show Requirements above.
7. Exhibitors will be allowed to use halters or collars in the show ring.
8. The judge will place enough goats in each division to ensure the JMGSC point system is followed. Points are based on total number of head per class and the total number of head in the show. Beginning with the 2005 show season, shows MUST place a minimum of 12 goats per class if classes break with at least 12 goats. Junior Division exhibitors will receive points based upon the higher of the Weight Classes chart or Junior Division Incentive Point Chart. Each Junior exhibitor will be allowed to earn points from the Junior Incentive Point Chart on only one goat per show.
9. Judges' names must be provided within 30 days of notification of the show being sanctioned or with the application, if the show date is less than 90 days away.
10. If a sanctioned show publishes a weigh back and an exhibitor weighs out (over or under weight) that entry is not allowed in the show. **NO EXCEPTIONS!**

Tooth rule to be determined by each sanctioned show.

Wether and doe kids are eligible to show as determined by sanctioned show.
