Scholarship recipients must comply with procedures set forth below in order to receive any funds that may be awarded. Failure to comply with these procedures will result in loss of eligibility for any awarded funds.

1. Recipients will be announced at the annual JMGSC banquet in October. Upon notification of receipt of a scholarship and registering at a Texas college or university for the fall semester immediately following your graduation from high school, send an **official copy of your schedule and proof of registration of a minimum of 12 hours on the college's/university's letterhead or with their official seal** to Junior Meat Goat Show Circuit, 7 N River Bend Rd., Comfort, TX 78013. Your schedule should have your **name, current mailing address, and phone number along with the college's/university's name and address printed on it**. Upon receipt of the above information, a check for half of your scholarship will be mailed directly to you.
2. You must successfully complete 12 hours **and maintain at least a 2.5 GPA** for the fall semester in order to be eligible for the remainder of your funds the following spring semester.
3. For the spring semester immediately following your first fall semester as defined above, you must submit the **same documents as above with proof of registration of a minimum of 12 hours, as well as a copy of your grades for the preceding fall semester, including information on your GPA. Your schedule of classes/registration and grades for the previous semester must have your name, current mailing address and phone number, and the college's/university's name and address printed on it**. If all the above conditions are not met, you will not be eligible to receive the remainder of your scholarship funds.
4. Funds will be available only for the academic year (your first fall semester and your first spring semester, not including summer terms) immediately following your high school graduation. If you do not attend college the first fall semester you are eligible, those funds will not be distributed and will no longer be available to the recipient. If the recipient does not register for and/or complete a minimum of 12 hours and/or does not maintain at least a 2.5 GPA in the first fall semester, the remaining funds will not be distributed to the recipient. If the recipient's first registration for college occurs in the first spring semester in which he/she is eligible and recipient submits the proper paperwork showing registration for a minimum of 12 hours, the recipient will receive only the portion allotted for the spring semester (half) of the scholarship he/she was awarded, thereby ending JMGSC's obligation to the recipient.
5. **Scholarship deadline is August 1, 2023.**

Thank you for your participation in the Junior Meat Goat Show Circuit. We wish you good luck in college and much success in the future.
