Hello!

The JMGSC points season has concluded, and preparations are underway for our annual banquet. The growth and success of our organization would not have been possible without the generous support of both past and future contributors. Thanks to this support, the vision of a small group has transformed into an initiative that has shaped hundreds of youth into responsible, generous, and diligent leaders.

We respectfully invite your **tax-deductible donations**; details regarding sponsorship levels are available on the reverse side of this letter. Your contribution directly benefits our members, who gain valuable life skills and character development through their involvement with livestock. With interest in agriculture declining, it is increasingly important for younger generations to appreciate its significance.

The Junior Meat Goat Show Circuit (JMGSC), a non-profit membership organization open to all Texas youth. Established in 1996, aims to recognize junior meat goat exhibitors actively competing in prospect, jackpot, and state meat goat shows across Texas. The organization supports individuals and groups in hosting high-quality meat goat shows adhering to consistent rules and guidelines, while our members and their families remain committed to advancing awareness of the meat goat industry.

Our organization is overseen by a nine-member Board of Directors composed of parents, breeders, and experts in the meat goat field. Additionally, a Junior Board of Directors, elected annually from Senior JMGSC members, assists the Board. This Junior Board gains leadership and public relations experience, notably by managing the annual JMGSC awards banquet in San Angelo.

JMGSC sanctions approximately 25 shows annually and hosts an event featuring 100% payback, awards, and double points. Each year, the organization grants scholarships to graduating seniors and top point earners in each age category. Over the years, JMGSC has presented hundreds of buckles, leather bags, jackets, and thousands of dollars in scholarships to its members.
